## **Business Conduct**

- We accept debt and equity financing from US/UK/EU. We probably need domestic intermediaries from other countries depending on circumstances.
- We only do secured debt contracts (SAFE) with an option to return the secured property (real-estate preferred) in lieu of buyer at the end of the term.
- We prefer equity financing for R&D projects weighing co-founder time with \$108/hr. Examples:

Venture fund investing \$1080 and our investment of 10hrs for equity suggests a final share of 50%/50%.

Venture fund investing \$1080 and our investment of 10hrs shared as 10% cash 90% equity suggests a end of term equity shared as 53%/47% + \$108 paid W2, and \$972 will be spent on the project vendors including taxes.

• Any contracts above value of \$10000 must be certified with a California notary.

Sincerely yours,

Miklos Szegedi, MBA CEO - Schmied Enterprises LLC
